

We're so excited you are joining us for a fun filled week at
Camp Timberline's

BEYOND TIMBERLINE

FORMS TO PRINT – enclosed

- Parent information for campers attending Beyond Timberline
- BT Packing List & Directions to Camp Timberline
- Doctors Statement of Participation Form – 2 pages
Please only use camp's physical form; 1st page must be signed by your camper's physician/NP/PA and turned in at Check-In
- Certificate of Immunization – 2 pages
Please bring updated shot records to Check-In; this can be a format that best suites your physician's office
- Doctor's Orders for Prescriptions Form – **Please turn in with medications on Opening Day or use copies already generated by your physician's office or school.**
- Food Allergy Action Plan – **Please complete and bring with you to Check-In if applicable**
- Colorado Allergy and Anaphylaxis Emergency Care Plan –
If your child has any allergy that would require this type of plan, please submit this form or copies your physician's office or school already has at Check-In

ONLINE FORMS – under camper registration account

You will find required forms to be completed on the dashboard of your camper's account. **THESE FORMS MUST BE COMPLETED ONLINE.** Email notifications will be sent to remind you if forms are incomplete. Please make sure all blanks are filled in and each form has your electronic signature at the bottom. Some forms are two pages – always look for the "next" button at the bottom of each form and click to insure completion.

- Camper Health Form
- BT Acknowledgment Form
- Video and Photo Release Form
- Liability Waiver
- Permission for Pick-up
- Camper Flight Schedule – if applicable

BEYOND TIMBERLINE | PARENT INFORMATION – PAGE 1

OPENING DAY –

Longs Peak Road and the accompanying campground road are for moving traffic only. To prevent backup of cars and parking tickets being given out by the Rocky Mountain National Park rangers, below is the staggered arrival schedule for campers. **These groups will ROTATE each year so be sure to NOTE your time of arrival:**

- Last names beginning with G-P will arrive between 3:30 – 4:00pm
- Last names beginning with Q-Z will arrive between 4:00 – 4:30pm
- Last names beginning with A-F will arrive between 4:30 – 5:00pm

If campers with different last names will be arriving in the same vehicle, please default to the later time. **We will be assigning bunks before campers arrive, so there will be no need to rush to save bunks. In this regard, please do not arrive at camp before your designated check-in time. The RMNP Service can issue a \$75 fine for cars lined up or parked in the Longs Peak Campground, and cars that are blocking the entrance to the campground or trailhead. They do not dismiss tickets given to our Camp Timberline families. Please enjoy the sites and scenery of Estes Park and the surrounding area rather than arriving early**

CLOSING DAY –

A very meaningful closing day ceremony, including individual awards for each camper, is on the following Saturday, beginning at 11:20am and ending at 2:00pm. You do not want to miss this event! Gates will open at 11:00am.

SUMMER CAMP SAFETY – #1 PRIORITY –

We take your child's safety and well-being very seriously at Camp Timberline. It is our TOP PRIORITY. We recognize that a safe environment is the foundation for everything we do at Camp Timberline and we seek to provide this standard through the following areas –

- Staff Hiring & Training – We hire the best staff in the country through a rigorous 4-step screening process
- Guide to Camper Ratio (1:5) – Your child is known and protected by staff 24/7.
- Health Services – 24-hour health staff, together with up-to-date information on illness prevention.
- Activities – Activities at Camp Timberline are regularly certified and accredited.
- Facilities – Certified by the State of Colorado.
- Food Service – Healthy and balanced with consideration for individual food allergies.

Our main goal is to share the transforming message of Jesus Christ with kids and this can only be done if a child knows that they are in a trustworthy and safe environment. We are greatly concerned and proactive in evaluating our safety procedures each year. We do everything we can to make camp the best week of the year. Please see more information on Safety Protocol on our website.

HEALTH SERVICES –

Each year we screen and hire Colorado licensed Registered Nurses, Nurse Practitioners and Medical Doctors to reside on camp property and oversee the Health Hut. It is our desire to see that your child receives the best health care and knowledgeable administration of medication while he/she is at camp. Along with a Healthcare Assistant, the Registered Nurse, Nurse Practitioner or Physician is available 24 hours a day for medical care of all campers, first aid, assessment, and dispensing of medication. The health team also monitors health and cleanliness standards as well as promoting safety for all participants. More extensive care is provided by the Estes Park Medical Center and/or Timberline Medical Clinic, both of which are located in Estes Park. These facilities are a 15 minute drive from camp. Any care or prescriptions acquired through local medical facilities will be billed under the camper's personal insurance and is not the liability of Camp Timberline. Camp Timberline's insurance is accident (not illness) insurance and secondary to the camper's health insurance. Please see our enclosed Health Policy on illness prevention, Opening Day screening, and refunds.

EMERGENCY ACTION PLAN & PARENT COMMUNICATION –

Camp follows state guidelines with regard to emergency response. These protocols are in place in the rare case that there is an emergency at camp. The RN/NP/MD will assess any injury or illness to a camper. If the situation can be resolved in the Health Hut, proper care will be given. If the situation needs greater attention, then there will be an emergency room or physician visit.

BEYOND TIMBERLINE | PARENT INFORMATION – PAGE 2

EMERGENCY ACTION PLAN & PARENT COMMUNICATION (Continued) –

Parent/guardians will be notified if their camper:

- Has been involved in an emergency.
- Requires outside care.
- Is being transported to a local clinic or hospital.*
- Has a temperature of 100 degrees or more.
- Has two of the symptoms listed in the Illness Prevention Policy along with high temperature.
- Has stayed in the Health Hut for 24 hours.
- Has a persistent health issue.

If an illness continues under the RN/NP/MD's care, the parent/guardian will be contacted to decide whether to send the camper home or to a local physician.

**If an emergency room or physician visit is needed, the parent/guardians will be notified right away. If the situation is a non-emergency, the parent/guardian will be given the option to either have the child taken to a local physician or be picked up for treatment at home.*

MEDICATION –

The Beyond Timberline Guides' first aid kits contain over the counter medication (i.e. Advil, Tums, etc.) so your child does not need to bring these items unless he/she takes a specific one each day. In compliance with state regulations, all medication brought to camp must be in the **original prescription bottle or box** with a doctor's orders for each item (please see NEW form in this packet). We cannot accept unlabeled medication or items without a copy of your doctor's orders and will have to turn away these items. **On Opening Day please plan to meet with our health staff so we can verify and document all medication, supplements, and vitamins brought to camp.** All prescription medications will be kept in the First Aid kit of one of the guides, and given out as directed. On Closing Day your camper's medications will be packed in their luggage so you can be assured that it gets back home.

INHALER & EPI-PEN USAGE –

Campers are allowed to process and administer prescribed inhalers and Epi-Pens for routine, as needed or emergency use. Devices will be monitored by a BT Guide, stored in the First Aid kit. In the case of an anaphylactic reaction, a BT guide will assist in the administration of medication. **Campers should come with an initial inhaler/Epi-Pen PLUS an additional "back-up" device to be kept in the BT Guide's First Aid kit.** Any use of medication will be reported to the RN/NP/MD on duty for proper assessment of the camper and documentation.

ALLERGIES & DIETARY RESTRICTIONS –

If your child has an allergy (drug, insect, plant, and/or food) or dietary restriction concern that could result in a reaction while at camp, we want our health staff and food service team to be knowledgeable about your child's situation. Please email kitchen@camptimberline.com to talk with a director about how to make this a positive and safe experience for your child. **We must be notified of each medical and/or behavior condition prior to attendance.** A **Food Allergy Action Plan** and **Colorado Allergy and Anaphylaxis Emergency Care Plan** must be completed and signed by your physician prior to your child's arrival at camp (please see those items later in this packet). Our Food Service Director is available for information on menus and advice on how to package meals sent to camp. **All meal substitutions will need to be packaged and brought to camp as outlined in the Food Allergy Action Plan.**

FLYING TO CAMP? –

Please schedule flights to arrive and depart from Denver International Airport (DIA). Campers MUST fly into DIA between 10 am and 2 pm on Opening Day, and fly out between 1 pm and 5 pm on Closing Day. If your camper arrives before this time frame, you will need to make arrangements with the airline to have someone stay with your child until we arrive. If your camper arrives after this time frame, you will need to make arrangements with the Estes Park Shuttle for transportation to camp (shuttle information available upon request). A Camp Timberline staff member will meet your child at the main terminal entrance at the top of the escalators. They will have a Camp Timberline sign and also be wearing a Camp Timberline staff shirt so they will be easily recognizable. If your child is flying as an unaccompanied minor, and will be held at the gate until we arrive, please let us know ahead of time so that we can arrange for a pass to go to the gate to pick them up. If we do not have that information, we are assuming your child will meet us at the main terminal entrance. Camp Timberline shuttles are provided to and from DIA at a cost of \$25 each way. Flight itineraries MUST be completed with the online form by June 1st. We cannot be responsible for picking up your child if we do not have a flight itinerary on record.

All Camp Timberline staff are trained with our Transportation Policy when operating shuttle vans and campers are expected to follow passenger rules as communicated by those drivers for the safety of all concerned.

BEYOND TIMBERLINE | PARENT INFORMATION – PAGE 3

COMMUNICATION WITH CAMPERS –

As your camper will be on the trail Monday morning through Friday early evening, he/she will not be able to receive any mail, email or packages.

CAMP STORE –

Camp Timberline has a camp store that features clothing, gifts, necessities and snacks. Our campers love the CT store! Because Beyond Timberline campers will be out backpacking Monday through Friday they will only have time to visit the snack shack on Friday evening and the camp store on closing day. Campers are not allowed to have cash at camp, so each camper will have the option of a store credit to use during their session(s). We recommend a store account of \$50. Any remaining balance of \$10 or more will be refunded to your credit card on file within two weeks after your child's session. Any account balance less than \$10 will be placed in a scholarship fund for future campers needing tuition assistance. Please remember to stop by the store on Closing Day to close out your child's account. If your child's account is not closed out, any remaining funds will be donated to our scholarship fund. **If you have not set up a store account or would like to increase your camper's store account prior to their session, you may do so online or by calling our office at 970-484-8462. You will also have the opportunity to do this in the camp store Opening Day.**

BIRTHDAYS –

We celebrate birthdays with a cake in the backcountry and enjoy it while watching the sunrise.

VISITATION/PHONE USE –

Beyond Timberline guides are equipped with satellite phones. In case of emergency, either physical or otherwise, we will contact the office of our Estes Park location and you will be notified immediately. These phones are not to be used for any other incoming or outgoing calls.

REMINDER ABOUT TRAIL BUDDY REQUESTS –

We strive to honor ONE trail buddy request per camper. First priority will go to requests that are reciprocal. Our trips are balanced between those with requests and those without, gender and age.

BALANCE DUE –

Balances are to be paid in full by March 15. Please log into your account and make your final payment online. If you prefer to pay by check, you can do that online as well through e-check. If you registered your child after March 15, the balance is due within two weeks after registering. If payment is not made in that time frame, the credit card on file will be automatically charged for any balance.

CANCELLATION/WITHDRAWAL REFUND POLICY –

If a camper cancels for any reason, the \$200 deposit is non-refundable.

If a camper cancels for any reason prior to May 1st, all monies paid over and above the initial \$200 non-refundable deposit will be refunded.

If a camper cancels for any reason after May 1st, no monies will be refunded.

CANCELLATION DURING CAMPER SESSION –

- If the camper is determined to be sick by Camp Timberline health staff on the Opening Day of camp, the camper will need to be taken home to get healthy, obtain a doctor's note, and return to camp for the same session. If the camper's health does not permit a healthy return during that session, Camp Timberline will make every effort to enroll the camper for another session during the same summer. If there are no vacancies in later sessions, only the camper's deposit will be transferred to a session for the next summer. Due to fixed expenses, no other refund can occur. If the camper cannot attend the next summer, all monies are forfeited.

Continued on next page...

BEYOND TIMBERLINE | PARENT INFORMATION – PAGE 4

CANCELLATION DURING CAMPER SESSION (CONTINUED) –

- Transportation home is at the expense of the parent/guardian.
- If a camper becomes ill at camp and remains in the Health Hut during all or part of the session, then due to fixed costs no tuition refund can be made.
- Camp Store balances are refunded when a cancellation or withdrawal occurs and cannot be forwarded to future summers or events.
- If a camper departs camp early for a reason other than a health concern (i.e. sporting event, wedding, etc.), no portion of the tuition is refundable or pro-rated.
- The Camp Director reserves the right to dismiss any camper who becomes in any way detrimental to the best interest of the other participants at camp. We cannot give refunds for absences, dismissals or early withdrawal before the end of a camper's session.

CHECK-IN AND CHECK-OUT PROCEDURE –

With safety being our number one priority at Camp Timberline, we have a check in and check out procedure. Prior to attending camp, please complete the online "Permission for Pick-Up" form so we know the names of the person(s) permitted to pick up your child on Closing Day. Be sure to provide ALL NAMES of anyone who may be picking them up, including YOU. If someone arrives other than a person provided on the list, your child will not be allowed to leave camp until we have contacted you, the parents/guardians. On Closing Day, the person picking up your child will need to stop by the Welcome Hut located next to the parking lot and **show a photo ID** in order to proceed into camp. We know this is an extra step on Closing Day, but our goal is to maximize the safety of your child for every moment that they are there.

CARING FOR OUR CAMPERS –

Camp Timberline is licensed and regularly renewed by the Child Care Division of Colorado and required by law to report any suspected case of child abuse discovered while a child attends camp. Parents/guardians are also free to file a complaint with the Colorado Department of Human Services and the Division of Child Care by mailing to 1575 Sherman Street, Denver, CO 80203-1714 or calling 303-866-5958 or 1-800-799-5876.

BEYOND TIMBERLINE EQUIPMENT LIST – PAGE 1

Welcome to Beyond Timberline! We look forward to having you with us at Camp Timberline this summer. Please take the time to read the following information regarding your equipment choices.

At Camp Timberline we provide all of the necessary wilderness equipment for Beyond Timberline. However, you will need to provide personal items in addition to the equipment we provide. If you have personal equipment (such as backpacks, sleeping bags, etc.) that you would like to use on your trip please feel free to bring them along! Our guides will inspect your gear and determine if it is suitable for your trip. Our guides may deem some equipment unfit for trail and will encourage use of Camp Timberline's equipment.

Due to our accommodations you need to limit your packing to one large duffel or a couple of modest duffels. While you pack, think of ways you can make everything as light as possible (i.e. a small bible, travel size sunscreen and/or bug spray, etc.). If you choose to bring your own pack make sure it is large enough to fit your own gear as well as group gear (food, tent, stove, etc.).

Important! In addition to your gear, you will need street clothes to change into once your backpacking trip is over. You will also be in desperate need of a shower so we advise that you bring a towel, shampoo, conditioner, etc.

While making selections on gear, keep in mind that weather in Colorado can be extremely unpredictable and can change rapidly. Rain is likely and temperatures can vary dramatically. Because you will spend a week in the wilderness, you will need to bring enough layers to keep you comfortable no matter what conditions you may face. We have developed a list of personal items that will prepare you for any weather you may face.

If you have any questions or you would like more information regarding any of the items in the Equipment List, please contact us at (970) 484-8462, or office@camptimberline.com.

LOWER BODY LAYERS			
You will need 1-2 synthetic insulating layers. All layers should fit comfortably over each other so that they can be worn at the same time. If you tend to get cold easily, add a middle layer of mid-weight bottoms to the under layer and fleece pants.			
Check	Equipment	Quantity	Comments
	Base Layer (Mid-Weight Synthetic)	1	Mid-weight bottoms of high performance polyester, polypropylene, or Capilene®. Cotton is not acceptable.
	Hiking Pants	1	Expedition-weight bottoms that fit comfortably over the under layer bottoms.
	Fleece Pants (optional)	1	To go over your base layer while at camp. Side zippers make it easier to put on over boots.
	Rain Pants (optional)	1	Although not required, some people like to use rain pants in conjunction with a rain jacket
	Nylon Shorts	1	Loose-fitting nylon athletic / river shorts
	Underwear	2	Synthetic. If you choose to go without underwear, use nylon shorts with liners. Girls can wear what's comfortable; cotton, silk or synthetics.

BEYOND TIMBERLINE EQUIPMENT LIST – PAGE 2

UPPER BODY LAYERS			
Layering your clothes is an effective way to stay comfortable while in the backcountry. Combining different garments will allow you to achieve optimum insulation and protection from wind and rain. Synthetic and wool fibers insulate when wet. Avoid using cotton, as it does not insulate when wet, and takes a lot longer to dry out.			
Check	Equipment	Quantity	Comments
	Base Layer (Mid-Weight Synthetic)	1	Mid-weight underwear top made of wool, synthetic, or Capilene®.
	Middle Layer (Fleece Pullover)	1	Polyester fleece pullover, wool sweater, etc.
	Top Layer (Synthetic "Puffy" Jacket)	1	Synthetic full-length zip jacket. Fiberfill jacket of Polartec® 300 or equivalent weight.
	Rain Jacket	1	A sturdy, roomy waterproof jacket with a hood. Both coated nylon and breathable fabrics such as Gore-Tex® are acceptable.
	T-Shirt	1	A lightweight polyester, wool / Capilene®.

HEAD, NECK & HAND LAYERS			
Check	Equipment	Quantity	Comments
	Baseball Cap or Wide Brim Sun Hat	1	To protect ears and face from the sun.
	Balaclava (optional)	1	Full head and neck covering with an opening for the face.
	Wool or Fleece Hat	1	A warm hat for colder weather.
	Gloves	1	Ragg wool or synthetic (fleece).

SLEEPING GEAR			
Check	Equipment	Quantity	Comments
	Sleeping Bag	1	Synthetic-filled bags perform well in the variety of conditions we encounter. A 20° bag or one of close equivalent will suffice.
	Compression Bag	1	A compression stuff sack for your sleeping bag.
	Garbage Bags	2 or 3	Heavy-duty lawn and garden bags to help protect the contents of your backpack from water.
	Sleeping Pad	1	We provide 3/8" closed-cell foam pads designed for ground insulation over comfort. If you wish to bring your own we recommend self-inflating sleeping mats. Thermarest and Insulmat are great brands.

BEYOND TIMBERLINE EQUIPMENT LIST – PAGE 3

MISCELLANEOUS ITEMS			
Check	Equipment	Quantity	Comments
	Bible	1	Very Important. Travel size.
	Water Bottle	2	At least 2 wide-mouth, quart or liter-size plastic bottles such as the Nalgene® brand. Having enough water is essential to feeling good in the backcountry.
	Plastic Bowl and Spoon	1	Tupperware with a lid works great. REI carries plastic sporks that are handy.
	Lip Balm	1	Stick, cream, or tube type moisturizing balm with sun protection factor (SPF) 15 or greater.
	Sunscreen	1	A 3 to 6 ounce tube with sun protection factor (SPF) 15 or greater.
	Bandannas	2 or 3	A few of these are always handy.
	Head Lamp/Flashlight	1	Durable and lightweight. Headlamps are popular. Bring spare batteries.
	Insect Repellent	1	Small bottles. No aerosol spray cans.
	Toiletries	1	Toothbrush, toothpaste, comb, brush, skin lotion. Travel or trial sizes are enough. Bring your own. (If applicable to girls, bring your own feminine products)
	Notepad and Pencil	1	A small, lightweight pad is fine.
	Instant Hand Sanitizer	1	A 2 oz. bottle for keeping hands clean.
	Sunglasses	1	Any good quality sunglasses with 100% UV protection will work fine.
	Sunglass Retainers (optional)	1	Chums® or Croakies® for keeping track of your glasses or sunglasses.

FOOTWEAR			
Check	Equipment	Quantity	Comments
	Boots	1 pair	Sturdy leather heavy backpacking or light mountaineering boots with good ankle support. <i>See our suggestions below</i>
	Wool Socks	5 pair	Heavy ragg wool or heavy wool/polypropylene blend.
	Camp Shoes	1 pair	Light weight running, tennis, or cross-training athletic shoes to wear around camp.

BEYOND TIMBERLINE PACKING LIST – PAGE 4

Boot Recommendations

Medium-weight, off-trail backpacking/light mountaineering boots work best. This type of backpacking boot is constructed with a full grain leather upper and typically has a Vibram® rubber sole. These boots are designed for extended backpacking, provide good support for off-trail hiking with heavy packs, and usually require less break-in time than heavyweight mountaineering boots.

It is crucial to wear your boots before embarking on your backpacking trip with Beyond Timberline. Boots take time to break-in and form to your foot. If you choose to not wear your boots before your trip you risk having sore feet and/or blisters. OUCH!

The list below is for suggestions only, and by no means a limitation of boots you have to purchase. We have compiled a list of boots we feel are adequate for the type of trip you will be embarking on, but there are tons of choices out there that are the equivalent in durability and performance. If it is your first time purchasing boots it is best to go to a store that carries a wide variety in order to try on multiple pairs. If you already own boots then it is not necessary to purchase additional ones.

Examples*

- **Salomon:** Quest 4D 2 GTX
- **Low:** Renegade GTX Mid
- **Scarpa:** R-Evolution GTX
- **Asolo:** Fugitive GTX
- **Vasque:** Switchback GTX, Zephyr GTX, Sundowner GTX, Summit GTX

OPTIONAL ITEMS			
Check	Equipment	Quantity	Comments
	Prescription Glasses and Contact Lenses	2 or 3 pairs	Bring a spare pair of glasses or lenses. Contact lens wearers should also bring a pair of glasses as backup.
	Book	1	A small paperback reading book.
	Trekking Poles	1	A sturdy 2-3 section pole.
	Camera	1	Avoid heavy lenses and elaborate set-ups. Disposable cameras work great.
	Camp Chair	1	Crazy Creek or one with Therm-A-Rest fitting.

Group Equipment

All items listed below are provided by Beyond Timberline and shared among all expedition members.

Tents & Shelters	Maps & Compass	Camp Stoves	Bear Cans
First Aid Kits	Equipment Repair Kits	Fuel & Fuel Bottles	Trowels or Shovels
Reference Books	Cooking Gear		

DOCTORS STATEMENT OF PARTICIPATION – BEYOND TIMBERLINE – PAGE 1

CAMPER HEALTH NEEDS FOR SUMMER PROGRAM –

All campers should be able to participate in athletic activity at 9,400 feet above sea level. A licensed RN/doctor will be available on the property when campers are in session and more extensive care is provided by the Estes Park Hospital or Timberline Medical Clinic that are about 25 minutes away. Camp Timberline expects campers to have their health issues well managed. Please see our Health/Behavioral statement fore more information.

I confirm that within the preceding 24 months a health screening has been performed on:

CAMPER NAME: _____

and I found him/her to be in satisfactory physical condition, free from any contagious disease, and capable of active participation in a regular camp program, except as follows – (please be specific and list any physical limitations, problems or special care needs with expected treatment):

Date Examined: _____ Height: _____ Weight: _____ Blood Pressure: _____

Has the camper been diagnosed with a medical condition or disease of the blood, respiratory, metabolic, or other system, such as sickle cell disease, COPD/emphysema, etc. that would limit participation with an altitude of 9,000 feet? YES / NO

If yes, please explain: _____

Is the camper authorized to carry an inhaler, epipen, and other emergency medications with them at all times? YES / NO

List any known drug reactions and allergies that the camper has:

The above named camper may take the stocked over the counter medication provided by Camp Timberline (refer to list provided on the following page): YES / NO

Are there over the counter medications that the camper may not have? YES / NO

If Yes, please list those the camper may not have:

The above named camper is current on his/her DTaP/Tdap and/or DT/Td immunization.

*I have completed the attached **Certificate of Immunization or Statement of Exemption** as required by Camp Timberline and by Colorado law.

REQUIRED SIGNATURE OF PHYSICIAN/NP/PA: _____

Date: _____

PHYSICIAN/NP/PA NAME: _____

ADDRESS: _____

CITY: _____ STATE: _____ ZIPCODE: _____

Camper's Session(s): _____

HEALTH HUT OVER THE COUNTER MEDICINE – Page 2 of DOCTOR’S STATEMENT

Please Note: All medication is given per instruction, allergies are verified, and only age-appropriate for the camper. These medications are available on an as-needed basis and note intended for daily or weekly use.

Benadryl (liquid & tablets)
Camphophenique
Cepacol
Cetaphil
Claritin (lorantidine)
Dayquil (acetamenophen, dextromethorphan HBr, phenylephrine)
Delsym (dextromethorphan)
Hydrocortisone Cream
Ibuprophen (liquid & tablets)
Miralax
Nasal Saline Spray
Nyquil *acetamenophen, doxylamine succinate, dextromethorphan HBr)
Pepcid (famantodine)
Pedialyte (powdered or popsicle)
Throat Losenges
Robitussin (guaifenesin)
Triple Antibiotic Ointment
Tylenol (acetamenophen)
Tums
Zyrtec

Sunscreen Provided by Camp: Neutrogena Pure and Free SPF 45

*Please send your own sunscreen to camp but this is available as needed.

CAMPER PRESCRIPTIONS: These items will need to be submitted to the RN/NP/MD with Doctor’s Orders Form for each item in the ORIGINAL container on Opening Day. If your camper takes any of these over the counter medications regularly, please bring an adequate supply for their time at camp.

Certificate of Immunization

6 CCR 1009—The Infant Immunization Program and Immunization of Students Attending School
Schools shall have on file an official Certificate of Immunization for every student enrolled.

DOCTORS ORDERS - PRESCRIPTIONS & REGULAR OTC

REQUEST FOR MEDICATION/ MEDICAL PROCEDURES TO BE GIVEN AT CAMP TIMBERLINE

State child care regulations require prescriptions, regular over-the-counter medication (OTC), and any OTC not on the approved Health Hut list to be in the original container and doctor's orders concerning the following appropriateness and method of administration to be submitted with the information below.

IMPORTANT NOTES: If your child is not bringing one of these items, you do NOT need to complete this form.

If your physician's office or school has a version of this available, a copy can be given to us in place of this form on Opening Day.

Doctor's Orders are required for EACH prescription, regular OTC, and any OTC not on camp's approved Health Hut list.

Camper Name: _____ Date of Birth: _____

Session: _____

Name of Medication/Medical Procedure: _____

Dosage: _____ Time Each Day (please circle): Morning Lunch Dinner Bedtime

Date to Begin: _____ Date to End: _____

Medical Diagnosis: _____

Expected Action of Medication/ Medical Procedure/Side Effects (please write on reverse if additional space is needed or attach additional pages:)

The undersigned understand and agree that the above medication/medical procedure may be administered by the camp RN/NP/MD in accordance with the above instructions.

PHYSICIAN:

Name: _____ Phone: _____

Physician Signature: _____ Date: _____

PARENT/LEGAL GUARDIAN:

I hereby give permission for the camp to administer the medication and treatments as prescribed above.

I also give permission for the camp to contact the above health care provider regarding the administration of this medication/medical procedure and share the above the information with pertinent camp staff.

Name: _____ Phone: _____

Parent Signature: _____ Date: _____

BEYOND TIMBERLINE FOOD ALLERGY ACTION PLAN

In an effort to provide the safest dining experience for the backpackers of Beyond Timberline, we are implementing a new policy to accommodate kids who have dietary allergies. If your child has dietary allergies, we ask that you take the following steps.

1. It is mandatory that your child's RN/NP/MD complete the Colorado Allergy and Anaphylaxis Emergency Care Plan and note all dietary allergies before your child can attend camp.
2. A menu can be requested after May 1st. We ask that parents would view the menu and provide the alternatives to foods their camper cannot have. In order to ensure safety we ask that families who are providing food would prepare the components of the meal as much as possible prior to their arrival at camp. We will have a microwave, toaster, refrigerator and freezer available for cooking and storing food items. Please label each container with camper's name and meal it is replacing so that it can be prepared for them eat.
3. Fill out the chart below so our kitchen staff can follow along as the week progresses.
4. Please bring this form with you on opening day. We ask that you would discuss your camper's allergy/restrictions with the kitchen staff.
5. Camp Timberline opens a Snack Shack daily to campers and this store sells various candy, ice cream and soft drink items. If your child is allergic to items sold at the Snack Shack, we would ask that parents/guardians review with their child what can and cannot be eaten from the Snack Shack menu.
6. If you should need further assistance, wish to speak to someone regarding your child's allergy specifically, or would like the menu, please email kitchen@camptimberline.com.

ILLNESS PREVENTION & HEALTH POLICY

Camp Timberline is dedicated to keeping our campers and staff as healthy as possible while they are on camp property. As such, we continue to take a proactive stance on all communicable and influenza-like illnesses. The following procedures have been put in place to minimize the spread of illnesses. In accordance with guidelines and recommendations from the national, state and local agencies as listed at the end of this policy.

- Each camper is screened upon arrival. This includes a temperature reading and questions about current symptoms and any exposure to others with a virus.
- If a camper has any two symptoms below, the RN/NP/MD will check the temperature a second time, and if these still stand true, the camper is immediately sent home to recover. Transportation home is at the expense of the parent/guardian. **The child cannot return to camp unless accompanied by a doctor's note stating that they are healthy to return. Our policy on cancellation due to illness is found on the Parent Information sheet.**
 - Oral temperature above 100° **and**
 - Cough and/or sore throat **and**
 - Does not feel well (achy/fatigue)
- Campers are monitored by their counselors throughout the week for any illness.
- Staff are educated on the importance of hand washing and guide their campers in this effort during meals.
- Alcohol based hand cleaner is used before every meal.
- Tissues are provided in the common areas of camp.
- If and when symptoms arise, the counselors will refer the camper to the RN/NP/MD on site for evaluation.
- Any camper or staff member who presents a cluster of symptoms (as listed above), is immediately isolated from others. The parents of the camper are contacted directly to take their child home.

Because our guests come to us from various communities and because flu-like illnesses are contagious for 24 hours before people have any symptoms, we are only able to limit exposure but cannot guarantee protection. We will continue to be involved in the ongoing research of flu-like illnesses and do our best to offer the best possible experience for each child.

Ultimately, our goal is for each cabin to have an incredible experience at camp and not remember a "sick" week. We do not want to see any camper spend several days quarantined in the Health Hut; but rather they recover in the comfort of their own homes. This speeds their recovery and protects all campers from contracting the same illness. We ask ourselves, "What is best for your child's experience, their Beyond Timberline group and camp as a whole?"

HEALTH/BEHAVIORAL CAMPER POLICY

STATEMENT –

The safety and health of your camper is first priority at Camp Timberline. Our location, environment and staff availability are how we determine the best scenario in meeting camper medical and behavioral needs. We want it to be a successful and safe experience for each camper. **Therefore, our staff must be notified of each medical and/or behavior condition prior to completing registration. Each condition is considered on a case by case basis and final acceptance is at the sole discretion of the Camp Director after consultation with the medical team.**

These conditions may be one of the following:

MEDICAL AND/OR DIETARY–

These are conditions that require careful monitoring of the camper's physical condition.

MEDICAL CONCERNS – Diabetes, Cystic Fibrosis, Hemophilia, Epilepsy, and heart conditions need to be reviewed by our directors.

DIETARY CONCERNS –Celiac Disease, peanut allergies and dairy allergies need to be reviewed with our directors and food service staff.

PROGRAM RESTRICTIONS –

- Due to the remote locations and rustic meal plan for our backpacking program (**Beyond Timberline**), campers who have diabetes and/or severe food allergies may consider a different program.

SOCIAL/EMOTIONAL/BEHAVIORAL –

These are conditions in which the camper and the lives of those around them are impacted. Depression, Anxiety, Suicidal Tendency, Learning Disability, Language Delay, Observed Behavior Challenges, Autism, Asperger's, and Down's Syndrome are some examples.

Ultimately, each child is expected to thrive within the Essential Functions of Camp Timberline as defined below.

ESSENTIAL FUNCTIONS OF A BEYOND TIMBERLINE CAMPER –

- **Function Independently** – In a remote, rustic environment for a full week without requiring one on one supervision. All health and behavioral issues need to be self-managed in a successful way.
- **Live Cooperatively with Others** – Campers must be able to effectively interact in a group based or community living environment.
- **Be Attentive & Follow Directions** – Campers need to respond well to authority and follow directions from the counseling staff over a sustained period of time. Safety is priority and each camper is responsible to follow the guidelines and rules set forth by the Camp Timberline staff.
- **Maintain Physical Activity at 9,400 Feet Above Sea Level** - Our program is very active and physically challenging for campers. Daily activities include hiking for an extended amount of time at a higher altitude. Campers must be able to engage in activities within these conditions, on land and water.
